

STRIP FRESHENER KIT

 **SCHLAGEL**
FOR FARMERS  BY FARMERS

STRIP FRESHENER KIT

CONVERT YOUR RAPID TILL MACHINE
TO A STRIP FRESHENER IN MINUTES!

Why get a whole new machine when the one you already have can do the work of two? Our kit converts your Rapid Till to a Strip Freshener in less than 5 minutes per row. Just swap out the knives on the shanks with this conversion kit, and you're done!

BENEFITS

Once you've installed your kit on your Rapid Till, one machine can do the work of two. Strip till in the fall, then head out to freshen your rows in the spring before you plant.

We've designed our kit to go on fast when you're ready to get to work, and come off even faster when you're done.

DESIGNED FOR

Reduced tillage

UNIQUE FEATURES

Working in wet soil conditions? Our kit gets you out in the field faster! Run it through your strip-tilled field this spring to remove winter crust from the soil, and you'll be ready for planting earlier than ever.

IDEAL CROPS

Row Crop

SPECS

Installation takes three steps and less than five minutes per row. Simply remove the knife off the shank, add the bracket with the "V" pointed forward, then add the row cleaners. All set!

EQUIPMENT COMPATIBILITY

Schlagel Rapid Till machine (not compatible with Rapid Till HD)
